In re:

Applicant(s): JUNKERS, J.

Serial No.: 10/802,890

Filed: 03/17/2004

**REQUEST FOR CONSIDERATION OF  
INFORMATION DISCLOSURE STATEMENT**

January 11, 2007

Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

The subject application was officially allowed on December 29, 2006.

However, an Information Disclosure Statement first filed on October 3, 2005 has still not been officially acknowledged by the PTO.

The existence of the Information Disclosure Statement appears on the transaction history of the application according to the PAIR System. Accordingly, it appears clear that the Information Disclosure Statement is part of the USPTO file of the subject application.

Requests have previously, repeatedly been made for consideration of the Information Disclosure Statement, most notably on March 23, 2006. On March 23, 2006 a copy of the Information Disclosure Statement was again filed with the request that it be considered.

Applicant now respectfully requests that the Information Disclosure Statement be fully considered so that the duty of disclosure may be fulfilled prior to payment of the issue fee.

Respectfully submitted,
